## ***March 2010 Class Information***

### **Costumes**

Costumes have started to arrive and will be handed out in classes in mid to late March. An exact schedule of when your child's class will receive his/her costume will be mailed out at least 1 week prior to the hand-out date. A female parent, guardian, babysitter, older sibling, etc. should accompany your child when the costumes are handed out. Important information about how the costume should be worn, hair and make-up styles, plus information about the show and pictures will be given that day.

### **Picture Information**

Regular Class pictures will be taken on Saturday and Sunday, May 22<sup>nd</sup> & 23<sup>rd</sup>. Specific information about your child's class will be available in Mid-March, will be posted on the bulletin board by the French doors and mailed with your bill in April.

### **Practice CDs**

Practice CDs with the properly cut and edited music for your child's class are available. Each CD costs \$5.00. CDs do not need to be ordered and can be purchased at the front desk.

### **Show Tickets**

Tickets for the spring performance are \$9.50 and go on sale on Saturday, April 17<sup>th</sup> at 9:00 am. Tickets are assigned seating and are sold on a first come first serve basis. Orders placed before April 17<sup>th</sup> will be filled AFTER all orders received on April 17<sup>th</sup>.

### **Room Moms**

We are in need of responsible female volunteers (moms, grandmas, aunts, etc.) to be room moms at the spring performances. Room moms stay in the dressing room with their child's class and accompany them backstage during the performance. This is a great opportunity to spend some quality time with your child and you get the opportunity to watch them up close from back stage. We usually need at least two room moms per class. If you are willing to volunteer as a room mom, please sign up at the front desk in late March or early April.

### **Parents Watch Week**

Parents watch week will be held April 12<sup>th</sup>-17<sup>th</sup>. Parents of students in non-competitive classes will have the opportunity to observe their child's class, to video tape and take pictures. This will give you an opportunity to see the progress that has been made by your dancer since the beginning of the year.

In order to eliminate interruptions and/or distractions, we ask that parents not bring young siblings with them to class during parent's watch week.

### **Easter Break**

We will be closed Tuesday through Sunday, March 30<sup>th</sup>-April 4<sup>th</sup> for the Easter holiday.
